

## Lennoxville High School

### **LHS through the years.**

When the Municipality of Lennoxville was incorporated in 1871 it took charge of two small schools formerly administered by Ascot Township. Much of Lennoxville was destroyed by a great fire in 1874. During the next year the present Town Hall was erected and in 1897 and 1898 school classes were moved into this building until five rooms, all but the present office of the Secretary Treasurer, were used for school purposes.

In 1912 a fine seven room brick structure was erected on the present property and all classes were transferred into it. In 1931 the addition of the north wing with its small gymnasium and four large classrooms provided separate accommodation for each of the eleven grades.

There was little fluctuation in the school population during the thirties. In 1942 there were only 211 pupils, but every succeeding year has seen an increase in enrollment. In 1948, with pupils in the Lennoxville School totalling 311, the Municipality of Ascot was annexed to Lennoxville for school purposes, increasing the annual school population by approximately 115. These pupils were accommodated in the four room Ascot Consolidated School and in the one room Albert Mines School.

Plans for the present extension were initiated in 1945 when an architect was authorized to make drawings for a new wing. When the sod was finally turned on June 28th, 1951, the 361 pupils at Lennoxville alone could not be accommodated properly, even at the cost of using playroom space for classes. One class had been removed to the basement of the United Church.

The reconstructed and extended school, the full occupancy of which has taken place by degrees since September 1952, provides eighteen regular classrooms (three Grade I classes, two classes each of Grades II to VI and a single class in each of Grades VII to XI) for 590 pupils. The entry of 88 Grade I pupils in September 1952 raises the question of the adequacy of the

## Lennoxville High School

new accommodations for the needs of the not too distant future. Arrangements for Manual Training and for Commercial Subjects have yet to be made but the facilities for instruction in Household Science, Biology, Chemistry and Physics have improved greatly. The Gymnasium-Auditorium, both beautiful and highly functional, has already demonstrated its value, not only for the direct needs of the school but to the community as a whole. The Cafeteria is in operation, serving approximately 200-noon meals daily. The citizens of Lennoxville and the surrounding rural district may well be proud of their present educational facilities and of the well-qualified teaching staff.

(From the "Official Opening and Dedication of the extension to the Lennoxville High School, Saturday, March 7th, 1953" leaflet, with thanks to Art Halsall '68)

In 1879, Lennoxville Academy was housed in 3 classrooms in the town hall building on Queen Street. By 1912, the school was moved to a new building on the present campus on Academy Street. There it became Lennoxville High School. At this time teachers earned \$30.00 per month and administrators earned \$60.00 which was considered a good salary.

Between 1912 and 1967, the school grew. In 1931 a gymnasium and 4 classrooms were added to the original structure. In 1952 a new north wing was opened with a cafeteria, a larger gymnasium/auditorium, several classrooms, a science lab and a projection room. By 1967 the population was over 900 students with a teaching staff of 47. Sports and music played an important role in school life, as it still does today.

In the fall of 1969, Lennoxville High School became Lennoxville Elementary School. Alexander Galt Regional High School opened up on the farm that belonged to Graydon Majury and the high school students continued their education there.

The original structure has since been removed leaving the north wing to house the elementary students. The student enrollment fluctuates from year to year. The present population is 286, although it has the capacity for approximately 450 - 500 students. The bus students are bussed from Fleurimont, Ascot Corner, Compton, Waterville, Rock Forest and Lennoxville. Lennoxville Elementary School now has a teaching staff of 21 and a support staff of 18. The cafeteria is still in operation providing hot lunches for students. There is also a Day Care open to children before and after school

## **Lennoxville High School**

as well as a private pre-school. It remains a vibrant learning community committed to student success.

**WELCOME: Your LHS Reunion has come and gone June 28th - 30th, 2013.**

### **GOOD NEWS -**

**The LHS Reunion Committee is pleased to inform you that a donation in the amount of \$1029 each will be made in the name of the LHS Reunion (and its attendees) to the Breakfast Programs of the Lennoxville Elementary School and the ETSB Learning Centre. So proud and happy that our wonderful weekend will have a lasting benefit to local kids!**

The 2013 LHS Reunion is now a marvellous memory for the almost 350 individuals who were able to attend one or more of last weekend's events. (Sorry we can't be any more specific about this figure - Friday night's Meet & Greet Registration was VERY hectic for a while!!)

Check back with the site often - we'll be adding photos and other information to the site as soon as they become available. If you attended the Reunion, enjoy re-visiting the weekend. If you weren't able to attend, we want you to be able to get a taste of the Reunion through this site.

David (Skip) Wright '69

Friday night's Registration-Meet & Greet was an incredible experience. Over 300 LHSers first filled the Pub lobby, then streamed through the doors and filled the room to overflowing. Noise levels were high, as were emotions as old friends greeted each other joyfully - it IS you!! - often after quickly checking a name tag (with too small print, of course). Seldom has so much catching up been done by so many in so little time!

Saturday morning's Memorial Ceremony was touching and meaningful. From the welcome through the prayers by Ven. Dean E. Ross '68, the remarks by Skip Wright '69, the reading of the names to the sound of bagpipes (played by Frances Herring Rich '69) to the placing of the stone plaque in the ground on the front lawn of the school under a beautiful maple tree. Be sure to visit the spot on your next visit to Lennoxville.

FYI -The plaque covers a time capsule filled with LHS memorabilia contributed by LHSers.

Join us!

Following Saturday evening's buffet dinner for 240, the diners were joined by other LHS classmates and friends the evening's activities. They began with a formal welcome from the Reunion Committee Chair, Vicki Hughes Games '66 and a reflection on Lennoxville High School's special contribution to the lives of its students from Skip Wright. Class pictures, conversation and dancing then filled the rest of the evening.

The final Reunion event was a Sunday morning buffet brunch at the ANAF (the Hut), attended by over 135.

Many of those who are now 'from away' spent any free time Friday, Saturday or Sunday afternoon re-visiting old familiar places or friends in Lennoxville and the surrounding

## **Lennoxville High School**

area. Many remarks were made that the places, in particular, were often not so familiar anymore!!

The following pages list students by their last year of attendance at LHS.

Both that year's graduates and students who did not return to LHS after that year are listed under each year.

Only the names of graduating students were listed prior to 1952, so we were unable to list other students from those years.

Thanks to a number of generous LHS grads, we have been given or been lent most of the "Lyre"s that were published,

or photocopies of the appropriate pages - except for 1946 and 1947. If you have a copy of any of these editions, or of 1945 or 1948

## Lennoxville High School

(our "photocopy only" years), we would appreciate it if you could donate or lend it to us so we have the most complete information possible.

Students are listed alphabetically by family name, with married name (if known) indicated in parentheses. We apologize for any errors in spelling, married name or last year attended information - we'll be happy to make any corrections required on receipt of an e-mail request.

In some years students first names were listed only as an initial - if you'd like your full first name listed, just drop us an e-mail request.

We have over 1400 names on our list - but just over 500 addresses. Sending us contact information for "lost" classmates, friends or family, will help us to contact as many LHSers as possible. More contacts mean more LHSers who will have the opportunity to participate in the reunion weekend.

It's important that you can be sure that contact information WILL NOT be used for any purpose other than reunion contacts, which will be kept to a minimum.

So, PLEASE, if you have any contact information on a "lost" student, or know that a name should (sadly) be added to our "In Memoriam" page, please send an e-mail with the information to [Robertg.richardson@gmail.com](mailto:Robertg.richardson@gmail.com).
